

## Season 02 – Week 13

### Problem Statement

Anjana's boyfriend resides in Mumbai, and she is planning a surprise visit. To facilitate her plans, she is seeking information regarding train availability from Tirunelveli (TEN) to Mumbai Central (MMCT) on June 13th, in a three-tier coach. Anjana requires details such as the Mail Train Number, Train Name, Departure Time, Arrival Time, Travel Duration, Seat Availability, and Least Train Time. These particulars are crucial for her itinerary preparation.
